"Chris creates fresh, melodic pop music with unpredictable changes and his guitar solos incorporate exiting blues phrases and exotic scales." -Guitar World Magazine 12 MP3 Songs POP: with Electronic Production, ELECTRONIC: Pop Crossover Details: "Chris has a really nice voice! The songs make you want to move in a hangin'-at-the-beach-on-a-summer-night-kind-of-way. Chris is a kid of many talents and really groovy tunes." -Tri City News Frank Infante, the original guitarist in Blondie says: "Chris is incredibly talented and I really like his music". Guitar World Magazine says: "Chris creates fresh, melodic pop music with exiting changes and his guitar solos incorporate incredible blues phrases and exotic scales." Dick Vanderbilt a music industry veteran and VP at Island/Def Jam records says: "Chris Corley is an extremely talented music artist". Chris Corley's new release "Someone 2 Love" is now out on Aeria Records. This release offers a breakdown of the tradition walls of current "Pop" music styles, a "hybrid" so to speak of his own style. His songs and production are fresh and unique! He has a way with his intimate, crooning vocal style making you feel like he's right in the room with you. He uses computer technology to create his songs. Chris' songwriting and song structures are very organic and melodic with a little psychedelia thrown in. "I am terribly impressed with the spontaneity, unpredictability and looseness of his music. Chris is a happening player and songwriter with nice bluesy leads and smooth vibrato." -Guitarist Network Magazine Chris' music is very contemporary yet has a classic song oriented thing going on as well. Colie Brice of Aeria Records says, "He's right on the curve of modern pop. His vocals, guitar work and production is flawless. Bottom line is great tunes married to a new sound!" "Someone 2 Love" is a poptronic masterpiece that deftly forges great pop songwriting with innovative, electronic oriented production. The combination of lush, sparkling, and pure sound merged with artist/producer Chris Corley's smooth, soothing vocal tones is a healing, uplifting and supersonic tonic for the soul!
