

Mp3 Continuous Jones - Ready

[DOWNLOAD HERE](#)

Nu-metal meets Classic Rock - A mesh of melodic chord progressions - fiery lead guitar - pounding rhythm and intriguing vocals. 8 MP3 Songs ROCK: Hard Rock, ROCK: Modern Rock Details: Continuous Jones is a Hard Driving, Guitar based Rock-N-Roll band that is fueled and driven by its Yankee Rhythm Section. This band has countless years of musicianship experience. Collectively they have rocked and rolled all over the East Coast and several have ventured west. Together they have combined the likes of many different styles and brands of music. Pushed by the endless burn to jam, this collection of hard core souls have finally combined to form what is a memorable new sound. Truly an awesome experience to hear that will leave you Jonesin' for more every time.... Please allow us to introduce ourselves.....Are you Ready? Instrumentation: Jim Cantley - Guitar Richard Webb - Lead Guitar James Jones - Lead Vocals Rick La Gray - Bass Guitar Justin Hilts - Drums Biography: Continuous Jones has been influenced through the years by everything from the Grateful Dead to the Beastie Boys and from The Beatles to Iron Maiden. These 5 members from diverse origins ranging from New York to South Carolina all have the same Jones to Continuously Rock-N-Roll. Playing in touring bands and bar bands this group has experience to last. With a debut CD to present, Continuous Jones will be out and about working hard to get to as many people as possible to spread the Jones. Notables- - Contributed the single "Wake Up" to the "Charlotte Area Music Compilation" CD. - Contributed 7 songs to the Motion Picture Soundtrack for "The Millennium Bike Show" produced by Frozen Films.
