Altogether Darker World is a fascinating collection of music... A fine record that will potentially change the way you think and feel about music... Liam Thomson, Reviewer, S.O.E. 13 MP3 Songs ROCK: Modern Rock, ROCK: Goth Details: CRANKCALLER has grasped the value of simplicity with this collection of intense songs. Forceful rock elements and, at times, tripped-out melodic interludes happen for all the right reasons. It's both the "now" and the "futuristic" sounds that make CRANKCALLER truly timeless.
