

Mp3 Cynthia James - I Live For Thee

[DOWNLOAD HERE](#)

Music to lift and inspire the heart and soul. This amazing music has a jazz feel and a powerfull message. 10 MP3 Songs NEW AGE: Healing, JAZZ: Smooth Jazz Details: Cynthia is also an accomplished actress, singer, and dancer with over 30 television and film roles to her credit. As an International nightclub performer, she has been the opening act for Rich Little and Jay Leno. Her versatility inspired Cristina Ferrare to select her as co-host of a Los Angeles daily talk show, "Cristina and Friends." People around the world consistently comment on the healing presence of her message and her music. Cynthia currently serves as assistant Minister at Mile Hi Church in Denver. She is a sought after performer, speaker, and workshop facilitator. She has dedicated the last 25 years to the area of healing and transformation. A graduate of a masters program in Consciousness Studies from Holmes Institute and Spiritual Psychology from the University of Santa Monica, Cynthia combines the creativity of the arts and therapeutic techniques to bring healing to individuals of all ages and cultures. She is committed to utilizing creative expression as a healing modality assisting others in personal and professional growth and transformation. A survivor of childhood abuse, Rev. James has developed tools through speaking and music that have assisted thousands of people in transcending the wounds of abuse and trauma. "THE HAND OF GOD," her original one-woman show dealing with her personal victory is gaining National acclaim. Her companion workshop, "WHAT WILL SET YOU FREE?" concentrates on healing techniques for abuse and trauma victims. Cynthia has developed a seven-week program that accompanies the workshop experience to assist with the on-going healing process. Rev. James was honored by ICAN (Inter-agency on Child Abuse and Neglect) Associates and Los Angeles County for her ongoing contributions in the areas of community service, child abuse and neglect education. The creation of Cynthia's CD's is a representation of her personal healing.
