Details: Check out "Da" Y's "Dat Apple Bottom" Video at [lxprecords.com](http://lxprecords.com) "DISTRIBUTE DIS DISK" is a SATIRICAL, yet frank, look at the way major RECORD LABELS DISS today's TALENT pool of home grown MUSICIANS and PERRFORMING ARTISTS. With absolutely NO DISRESPECT intended, "Da" Y calls out major labels and highlights the way today's artists are given scraps for their talent, hard work and their efforts to get a RECORD DEAL. Filled with SATIRE, COMEDY SKITS and explicitly graphic language, "Distribute Dis Disk" addresses MUSICAL PIMPIN, the all mighty quest for RADIO AIR PLAY, PARTYING at the club, the RAP game and DRUGS. Check out the title song, "DISTRIBUTE DIS DISK", for the sound you'll be hearing in your head many hours after you listen to it. The beats are ADDICTIVE and MAGNETIC to DANCE to!!!!!!!
