An experiment in drum n'bass ranging from artcore to old skool. 13 MP3 Songs ELECTRONIC: Drum 'n Bass/Jungle, ELECTRONIC: Breakbeat/Breaks Details: New school Milwaukee dnb producer Digital Starr and Boston gabber/hardcore/dnb producer DJ ERX combine to bring you the Conflation EP, 75 minutes of drum n' bass. Digital Starr's crunchy production can be compared to that of Kid606. Here he offers up four original tracks - 'angelcore', 'i hear voices', 'forgotten' and 'pervert'. In addition there are three remixes of 'angelcore' - one by Digital Starr himself, one hardcore techno remix by DJ Satanfuck and one by Milwaukee native DeeJay Atrophy. This cd also features remixes of DJ ERX's 'burning the bodies'. ERX himself supplies the 'breaky mix', Digital Starr brings us the 'against the church remix' and DeeJay Atrophy cooked up the 'too much leeway interpretation dub'. DJ ERX also supplies one other original track entitled 'dark city'.
