Technostalgia + low-tech grooves. Dance electronica for carbon-based beings. 6 MP3 Songs

ELECTRONIC: Dance, ELECTRONIC: Trance Details: Tsero has been fascinated by music electronics from a very early age. He spent a huge part of his childhood taking apart various toys electronic equipment to tweak their sounds. He still spends the majority of his time composing programming in his Dallas studio. His musical influences are vast, ranging from Anne Clark Laurie Anderson to Ministry the organic forms of world music. He particularly enjoys the great electronica artists of Eastern Europe Latin America: Smolik, Darkwood Dub Moenia, among many others. Tsero's music is a mixture of gothic industrial dance with a heavy low-tech vibe. Luxurious layers of digital audio coupled with elaborate percussion loops create a unique danceable experience. **Discography:** What Price Progress (2003) Digital Tsar EP (2005) **INTRO::**I'm DJ Tsero.
