A 27 year veteran of his profession/craft, Georges has performed for both the ordinary and elite throughout Europe's most popular and sought-after destinations; Switzerland's main cities : Geneva : Le Richemond , Noga Hilton, Ramada Renaissance, Intercontinental , Prsident hotel , Mtropole Swisstel , Hotel du Rhne , Bristol and De La Paix . Lausanne : Lausanne Palace , Beau -Rivage Palace and Royal Savoy . Bern : Bellevue Palace , Kursall . Zurich : Nova Park , Ramada Renaissance and Central hotel . Swiss Ski resorts : St Moritz : Badrutt's Palace and Carlton Gstaad : Gstaad Palace and Hotel Olden . Zermatt : Mont-Cervin . Crans - Montana : Golf hotel Monte-Carlo : Hotel Hermitage, Mirabeau Hotel and Hotel de Paris. Georges' musical repertoire consists of unique melodic music that relaxes the senses and titillates the soul. Created through impromptu improvisations, his compositions are professionally arranged and orchestrated with various acoustic instruments backed by talented live musicians; featuring the harmonious sounds of strings, wind instruments, flutes, guitars, piano, violin and saxophone. This thematic album likens itself to that of major motion picture film score with semi-classical and harmonious arrangements that are relaxing, uplifting and appropriate for round-the-clock listening. Work on his record began early on in January of 1997 and was excitedly released just one year later in January of 1998. The orchestrations are simply amazing and typify the soulful essence of a musical masterpiece. Georges is presently working on new upcoming compositions .
