Perfect for the aspiring songwriter/singer 10 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop

Details: Ivory Pen Entertainment is a music Publishing Company with distribution that caters to the producer and aspiring artist. We release CDs of music tracks (no vocals) for aspiring singers and songwriters to use for their demos. This enables you, the aspiring recording artist or songwriter to cut your recording costs in half, if not more. U Write The Hit also allows you to send your completed demo to record companies if you are an artist or to publishing companies if you are a songwriter, meanwhile, the producer gets paid everytime his/her track(s) is used. Producers can send one track or a full CD of no less than 8 and no more than 10 tracks and have a self- titled U Write The Hit CD of your own music to sell which increases how much money you can earn. All CDs are licensed under Ivory Pen Entertainment (ASCAP) and sell for \$13.99. We here at Ivory Pen Entertainment also offer other services to help the aspiring singer, songwriter or producer get started in the music industry. Our services also aid in helping you present yourself to the industry in a professional manner: these services are music production, recording services, digital mastering, custom CD design and printing, CD duplication, CD packaging(to include shrink wrapping) and for those special projects we also offer audio restoration services. (KEEP IN MIND THERE IS NO SUBSTITUTE FOR PROFESSIONALISM) This is how it works, you, the producer send your music track(s) to us. We then critique your music to see if it is something we want to use on our U Write The Hit CD, if we chose to use your music we will send you a standard publishing agreement for the selected track(s). We then edit your material and put your track(s) on our site with a photo and bio of you, this will allow you to promote yourself and increase your sales, we also digitally distribute the CD to

all the major music download sites offering you multiple places to sell your CD. Accounting is done quarterly and producers are paid based on the sale of their music track(s).
