All original songs. Heavy country flavor with a little blues, slow jazz, music from my heart to yours. Its a must have, great listening music. 10 MP3 Songs BLUES: Rhythm Blues, COUNTRY: Country Pop
Details: Thanks, music fans for taking a look at my music and the Video on song #1(it can be played on your computer). It is an accumulation of tunes written over a long period of time. So there is a lot of different types and stiles of music. I am sure there will be at least one favorite for you. I have traveled a lot around the country and the world so it is reflected in the music. I hope you enjoy it. It has been a great project, with a lot of great talent. Also you will want to vist my webb site. It has lots of good information about the music (ie when the next music video will be filmed, and how YOU can be in it.)My plans for the Bed and Breakfast here in Ensenada, Mexico, contests for a FREE stay at my place (bed and breakfast) here in Ensenada, Mexico, and lots more. So visit me at WEBB SITE doublearrow.com (will be up and running in January 2004)if not up keep trying. KENNER aka PEPPER PETE
