I put my heart and soul into this album. You'll find different styles of music, but no mainstream at all. Handmade guitar music for connoisseurs. Created for precious moments - for lovers, dreamers and listeners. 14 MP3 Songs FOLK: Gentle, WORLD: Celtic Details: Excerpts of a CD review in German Nr. 1 guitar magazine "Akustik Gitarre" (Michael Lohr): (...) Marcus Doneus belongs to a generation of fingerstyle guitarists, that really internalized the spirit of the instrument... .. E-Mail to Aurelia is one of the most charming pieces of happy lightness... .. he shows that he really is at home in many different styles... .. through all the pieces draws a line of a friendly-relaxed bright sound, a loving care for details (every passage is wonderfully arranged) and the composers spirit... ..this lightflooded album is like an endless walk over blooming alpine meadows... .. the Austrian Mhlviertel region should be recognized as a guitar-landscape, that was given its own sound by Marcus Doneus. Marcus Doneus lives in Austria and released just his third album SPIRIT OF THE STRINGS, which follows up his first album "Still Waters Run Deep" and "Acoustic Landscapes". This Austrian finger-style guitarist plays a variety of styles which includes traditional American blues, Brazilian music, finger-style and ragtime. His guitar playing expresses as well passionate ballads as groovy pieces. He knows to impress with excellent melody lines and skilled rhythmical patterns. His inspirers are Woody Mann, Franco Morone, Peppino D'Agostino and Jacques Stotzem among others. "Caipirinha" is a brilliant ballad with soothing nuances. "Morning Mood" in DADGAD tuning has a soulful ambiance, just as "Homeland" in another open tuning. One of the most groovy pieces is "E-mail to Aurelia" which is a top-notch track with an excellent structure and melody line. Marcus Doneus is a talented guitarist who combines outstanding techniques with accomplished compositions. Henk te Veldhuis Bridge Guitar Reviews. what guitar masters say about SPIRIT OF THE STRINGS: "Marcus' new guitar compositions are a timeless collection of expressions that showcase wide

ranging influences - from traditional american blues and ragtime to Brazilian rhythms and contemporary fingerstyle explorations. I admire his musical honesty." Woody Mann (USA) "Marcus Doneus is a gifted guitarist and his music reflects his kind spirit and original intellect. You'll enjoy his music. Marcus's gift for composition is truly exquisite. His music will touch you and let your fingers dance! Good job amico!" Peppino d'Agostino (USA) "Marcus fingerstyle shows different moods with a clear sound and peaceful melodies; Also I've got here the knowledge of a good fingerstyle repertoire linked to his teaching experiences. All the acoustic guitar pilgrims travelling through Austria should have a stop in his guitar-store. Franco Morone (Italy) " Very nice CD ! I really like the sound and also all the pieces are very well played and interpreted. I particularly like "River of dreams" and "Morning mood" - very beautiful melodies. In "Ireland on my mind", the melody and the mood of the piece immediately transport you to that superb country, the piece has that dancing character combined with a typical melancholic Irish feeling. "Rag pour Jacques" really swings and reminds me of one of my favourite swing piano player "Fats Waller". Merci beaucoup pour la ddicace ! " Jacques Stotzem (Belgium) "Ich durfte dabei sein, wie Marcus leise aber radikal seinen Traum "Gitarre" zu leben begonnen hat. Ich darf jetzt erleben, wie mich Stcke wie "Alpine Lullaby" oder "Angel Wings" wirklich berhren. danke - grosse Klasse und Respekt." Michael Langer (Austria)
