The Story Of Love presents a new dimension of this multitalented Singer-Songwriter-Guitarist. 13 MP3 Songs ROCK: Progressive Rock, ROCK: Acoustic Details: The Story Of Love confirms Monte isn't just a World-Class Guitar God, he's also a World-Class Singer, Songwriter, Arranger and Producer. Monte breaks new ground with his solo piano performance titled "The Way Things Shouldn't Be" as well as a beautiful composition titled "Love's Finest Hour" which he sings in a falsetto voice from start to finish exhibiting remarkable vocal control. Monte's songs are known for having something to say about life and this CD is certainly an example of Monte's finest songwriting. Monte offers a glance into his musical life in "My Mother's Hands", a song about early guitar lessons from his Mother and his way of life during his early teens, which begins with basic chord arrangements and concludes with a highly sophisticated guitar solo. As the album title implies, this CD contains songs about love and life.
