

Mp3 Rick Mcalister - Surplus Cheese

[DOWNLOAD HERE](#)

What would it sound like if a John Mayer CD was produced by The Neptunes? "Surplus Cheese" features dryly humorous lyrics and a unique blend of jazz, pop, folk, funk. 14 MP3 Songs POP: Quirky, ELECTRONIC: Funk Details: Rick McAlister has never had a lesson. You'll be pleasantly surprised. McAlister is a singer, songwriter, composer, producer, studio jockey, and all around one-man band who grew up in Urbana, OH, and now lives in Urbana, IL. Seriously. Citing influences ranging from Dizzy Gillespie to Moby and from Opera to Rap, McAlister's music is an eclectic and accessible blend of pop, funk, jazz, and folk.
