R&B with some sly guitar and unique lyrics. 10 MP3 Songs BLUES: Rhythm Blues, URBAN/R&B: Rhythm Blues Details: Personal Statement from Jimm A. James as a servant of { Jehovah our Almighty God } let this fact be made known to people everywhere, that the world that is now gearing itself up for great harm to each other including the non combatant innocent will never change my view that rather we be Jewish, Arab, Asian, Black or White we are all brother's and sisters with the same parents in the beginning, yes we are all from the same source. And that I, Jimm A. James love those who love peace and my music will always reflect my fondness for the sons of men and that God is not partial but is seeking to save peace loving men women out of all nations. So if you expect my music to reflect allegiance to any worldly mundane entity you are sadly mistaken my music will always broadcast - I Love You All !! So please enjoy my music for the world and think about putting your weapons down because the power of the Almighty is coming and no gun bearer will survive. My music is not gospel it is funky R&B Slimm a. Jimm a. James is a musician on a mission of love with his ax, lyrics and totally authentic music written from the heart for my American family and my brothers and sisters all around the world. This super CD Miss Hott Sauce considers everybody's view and yet gives a positive spin on the American way. The music reveals I love the college girl and especially those at Vanderbilt, TSU and many of the other Tennessee universities. Yet my music promotes l-o-v-e and deep commitment for all women in my hit the keys bump the bass kinda way. I'm saying "please," don't hurt-em ( my girl ) a woman sweet fine, she needs smoking love submerged in estacy to be experienced with only 1 boo, her boo. My music also explores the diversity between us as American and the people of the world as the lyrics consider my Arab brothers assimilation into the America freak, My Asian girls, divas with drop dead beauty and the project chicks bouncing with DA bro's and there coupe deville Cadillac. Jimmy James is a unbelievable
