

Multidisciplinary Care Of Urinary Incontinence

[DOWNLOAD HERE](#)

Multidisciplinary Care of Urinary Incontinence - a Handbook for Health Professionals effectively uses a multidisciplinary approach to assist health professionals in their care of patients with urinary incontinence. It is recognized that the best outcomes are achieved by a multidisciplinary team approach especially with regard to complex cases and care of the elderly. This book is written by expert authors from around the world with a wealth of experience in conducting clinics on pelvic floor, aged care voiding dysfunction and neuro-rehabilitation. The text is illustrated throughout and contains case-studies with input and practical tips from the different health disciplines at each point. Each chapter concludes with a list of seminal publications and web-based resources to assist the reader in the clinical environment. Multidisciplinary Care of Urinary Incontinence - a Handbook for Health Professionals is of benefit to medical and allied health disciplines including family physicians, nurses, urologists, gynecologists, physiotherapists, geriatricians, neurologists and rehabilitation specialists. EAN/ISBN : 9781447127727 Publisher(s): Springer, Berlin, Springer, London Discussed keywords: Harninkontinenz Format: ePub/PDF Author(s): Chan, Lewis - Tse, Vincent
