Poetry: Ajibade's writings are from deep within his heart and yet reach deep within the heart of each of us. His poetry is not, for the most part, merely superficial and fun, but deep and thought provoking. It spans the depths of hurt and despair and the heights of joy and love. His verse is not unlike the Psalms, allowing us to listen in as another lifts his very heart to the throne of God, with all its pain and joy, confusion and certainty, hurt and forgiveness, bitterness and reconciliation, to find God's grace works through all of life's situations to bring new life. Some of the writings in this book you will connect with on your first reading and others will seem distant and their meaning might at first allude you, but as the seasons of your life change and you read these words again, the same verse might intersect with right where you are and in its new found clarity minister to your own heart.
