Future Agenda is a unique multi-disciplinary resource that brings together some of the best minds from around the globe to address the great challenges of the next decade. It maps out the major issues, identifies and debates potential solutions and suggests the best ways forward. Future Agenda provides a platform for collective innovation at a higher level than ever before. As the world responds to accelerating challenges, organisations need clearer and more informed views of the future so that they can place intelligent, strategic and innovative bets. They need to look beyond their traditional horizons and use new combinations of insight and foresight methodologies. Future Agenda challenges conventional wisdom and identifies practical strategies to deal with dramatic change in key areas of business environment.
