A masked man with a burning secret is her only hope. A Heat series story. Aidan has only days to acquire a magic Globe to exchange for her brothers freedom. With the clock counting down, she turns to Warwick the Enforcer for help. As her lies pile up and the passion between them builds, Aidan tries to keep her mind on her mission and ignore the man who lights her fire. Warwick has spent his life preparing for revenge against the man who killed his parents and sentenced him to an existence behind a mask. But when Aidan calls in a debt he owes her, he cannot say no. The attraction he thought was one-sided explodes between them and he is shocked to find himself burning to possess her. One thing after another goes wrong and Warwick discovers Aidan is working for his hated enemy. As things spiral into danger they could never have imagined, passion burns into a love that could destroy them both.
