Driving, grooving pop music for adults. If you're a woman in her 20s or 30s, this is for you. 6 MP3 Songs  
POP: Quirky, ROCK: Folk Rock Details: Driving... bitter... longing... beautiful... all these words come to mind when one hears Alex Sweeton, Invisible Girl. Described as a cross between Shawn Colvin and Liz Phair, Alex takes pop music and creates songs of substance. With poetic lyrics that run the gamut of life from childhood to adulthood, from love to hate Alex shares her 'hidden' stories, secrets and fears we all share yet never speak of. Her enticing melodies, thoughtful lyrics and powerful voice combine and create music that permanently captivates the heart and head. She may break your heart but she'll heal it before she's done. And leave you wanting her to do it all over again.
