Becket offers original, frolicsome compositions and a mix of animated instrumental music that create an ethereal, dreamlike sound -- perfect for a soothing, relaxing listening experience. 11 MP3 Songs NEW AGE: New Age, EASY LISTENING: Adult contemporary Details: My musical journey began as a child singing in choirs and playing piano in the Midwestern United States. Over many years, I studied voice and piano, played in orchestra, performed and sang in musical plays and in local night clubs. Today, I'm a songwriter who enjoys sharing my music with listeners around the world. I compose music that crosses musical genre with flowing melodies and harmonies that reach out to listeners in a special way. Some listeners have reflected that my music and lyrics are light and ambient and filled with the expressions of life. My first collection of recorded songs is Which Star. I am honored to have as a guest on each of the songs, Jeff Barnes, who is a member of the Grammy winning group "Brave Combo". Jeff brought an ethereal magic to the music by way of the numerous instruments and flowing notes that highlight each song in such a special way. Also, I am very proud to have a wonderful producer who spent long hours in threading the music together, Harvey Gerst, a musical legend, teacher, and a good friend who has a great love and passion for all music. Finally, I also was able to have the music mastered by Jay Frigoletto at Mastersuite, a Grammy-winning veteran who brings state of the art work into each of the musical artists he works with from around the world... I find great pleasure in being able to share with you my dreams, thoughts, and experiences of life in this musical journey that is called Which Star... Becket
