Guitar Instrumentals, Electric, Accoustic and Guitar synth. Country to progressive, earthy to ethereal, Solo and Jam Band. 7 MP3 Songs ROCK: Instrumental Rock, ROCK: Acoustic Details: "A Jam is a currently living active conversation in the language of musical notes and chords, ever changing and evolving," Bob Couchenour "Music is well said to be the speech of angels; in fact, nothing among the utterances allowed to man is felt to be so divine. It brings us near to the infinite." Thomas Carlyle "...in my playing, taking all the skill and ability the Lord has allowed me to develop and then giving the best and offering it back to Him, I am entering into the realm of angels. My speech is not that of human reasoning but of the heavenly host moving in response and into battle with principalities and powers that would raise them selves in defiance of the Lord our God."
