An eclectic mix of songs from the heart that groove and move you closer to the God that loves you. 10 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: I started writing worship songs in 1998, as part of my work in the contemporary worship ensemble at Rejoice Lutheran Church in Geneva, Illinois. The first song, Rejoice In the Mission was written with friend Dori Erwin Collins and was published and recorded by Augsburg Fortress. This encouraged me to continue using my gifts of music and songwriting. The songs on More Than Anything were written over the past seven years and were recorded and produced by Pat Moynihan, our worship director at Rejoice. If you enjoy any of this music, you will love worshipping at Rejoice a place where God is experienced, community is shared, and lives are changed.
