Keyboard based rock ranging from the styles of Bruce Hornsby and Elton John to the finesse of Jimmy Smith and Nicky Hopkins(Stones) 12 MP3 Songs ROCK: 70's Rock, POP: Beatles-pop Details: Einstein spoke of a dimension coexistent with ours - as it were, a world of the spirit. Is it real and does it affect us? There would seem to be an abundance of probable proof. Now come and listen to music of this unseen world and of it's battles, songs which few have dared to write which can reach down to the very depths of your soul - the War of the Spirit! Eric Anderson who hails originally from Portland, Oregon has lived for the past twenty years in South America and the Caribbean. He had studied classical piano for years but then gravitated to rock and roll. In his earlier years he played in bands backing up Sly the Family Stone, Steppenwolf, Boyce Hart and more recently played with Jeremy Spencer(formerly of Fleetwood Mac)in Rio de Janeiro. He has toured and traveled extensively throughout the Caribbean, Brazil and Argentina and currently resides in Miami. Though fluent in Portuguese and Spanish, this is his first solo CD in English.
