A good mix between Funk, Rock, Alternative Hip Hop, R&B, Rap, Rock. 10 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, URBAN/R&B: R&B Rap mix Details: Jason carefully and diligently hand crafts every song he produces for himself or produces for outside artists. Taking the time to fine tune every detail, he fills each song with emotion and meaning. Jason's music stems from situations and feeling that cause emotions that are converted to music. His music has been described as True and Real. Situations we all can relate too just in different ways. No matter what mood you are in Jason Heine's music will capture it. His diverse range of music styles are sure to keep you guessing! He will definitely keep you wondering what will he take to the edge next! His productions surpass what most people have done professionally. From his own studio Heine House Records in Clackamas Oregon he does all the writing, producing, recording, and mixing from start to finish! Virtually playing every instrument, he has sole control over the whole vibe! Jason also records and produces for other local musicians and artists. The songs I write come from my heart. My music brings emotion that I hope you can relate to. I may rap I may sing, I do what feels right in the song! Im a musician, This is my music.. . This is your music!
