He actually sings one song in Mandarin (Track 2). Track 7 - 11 are semi-semi. Otherwise, this is a collection of the songs he has written over the year. It opens with the Egyptian influenced rock tune Maliciously in love and ends with with Tango-ish rocker Red Black. Comparing to the past albums, this album contains songs that have more distinct styles than before. This album was recorded in a hotel room in Shanghai and it took almost six months to finish.
