Some of her songs are specific speech enhancers for example, "Garden Dance" facilitates the difficult /r/ sound; or "The Spider Shines Her Shoes" helps children distinguish commonly lisped sounds. "Imagination" contains virtually all of the English vowel sounds and "Do You Hear the Way Sounds Ring" provides the phonic sound for each of the alphabet letters. Other songs help children learn language concepts through fun imaginative and interactive adventures and stories that can be acted out. This artist has also authored a companion book for parents and teachers on how to enhance your child's speech and language skills from birth to five.
