Related styles: FOLK: like Joni, LATIN: Brazilian Folk People who are interested in Joni Mitchell Shakira Astrud Gilberto should consider this download. Details: Marye Lobb (Finding Home 2008) is a singer/songwriter with a fresh new sound. She has lived all over the world and her music is a reflection of this. Marye uses Latin rhythms from her days in South America, Celtic melodies from her Irish Roots, and even some odd meters from the time she spent studying in Athens, Greece. Without a doubt this album will be enjoyed across the globe as she tells stories in English, Spanish and Portuguese about love, traveling, music, [volcanoes and mountains, mosques and the acropolis] and even world poverty. Her sound eclectic and unique, her voice is soothing and her writing is always interlaced with a positive message for all. Marye is committed to social justice; 10 of the profits of the album will go to selected charity. Lobb graduated from Berklee College of Music in 2008.
