Music from the Infinite Horizon-Experience...Michael Plishka 12 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Details: Music from the Infinite Horizon...Experience: Michael Plishka. "Spit, Sputter, Blow..." showcases the acoustic-aerobic, percussive style of Plishka, the guitarist, but it also traces the myriad musical influences of Plishka the songwriter. Jennifer Layton of Indie-Musicsays of Spit, Sputter, Blow..., "This CD is beautiful, (with Michael) singing earnestly and passionately of unrequited love, soaring through time, being carried along on the wind, and seeing angels dance in the sky. His lyrics paint mythology and romance. " Scott Conary of Open Eye Caf in Carrboro, NC says, "Powerful, and evocative in a very non-traditional way. I tend to hear Jim Morrison-ish phrasings, though more comprehensible, and in a way that makes you feel the tunes in your gut." Fans describe Michael's music, as being melodic, entrancing and diverse. Spit, Sputter, Blow... is not a production for those who simply want background music. It is music for those that want to reflect upon, enjoy and experience life and love through aural experiences that touch the soul. Plishka is currently recording his next full length CD while performing extensively in the Midwest.
