

# Mp3 Michael Riversong - Riding Through A Rainbow

[DOWNLOAD HERE](#)

Gentle acoustic and electroacoustic music on harp, guitar, flutes, and other instruments, intended for background, relaxation, and health enhancement. 17 MP3 Songs in this album (52:46) ! Related styles: EASY LISTENING: Background Music, SPIRITUAL: Instrumental Gospel People who are interested in Leo Kottke Alan Stivell should consider this download. Details: Michael has been working with research lines related to Nikola Tesla since 1984 in many capacities, including Master of Ceremonies for technical conferences. He is a computer and environmental consultant, and is known to many as a musician, actively performing on Celtic Harp, guitar, flutes, and other instruments. Over 30 albums of his original music have been recorded so far. He has written numerous articles on environmental techniques and advanced energy research in many publications. His first book, "Design Ecology" was published in 1996. Currently he is based near Cheyenne, Wyoming where he teaches at local schools. From there, he often goes on tour doing performances and classes. He has a BA degree in Chinese language from the University of Colorado and holds certification as an Environmental Building Inspector from the Institute for Bau-Biologie and Ecology. In 2006 he founded Tesla Academy to make advanced research more accessible to students of all ages.
