Lounge Details: A seasoned and popular public speaker, Miriam's ministry has taken her from Alaska to Australia , Peru to Sri Lanka and nearly every state in the United States . Miriam's preparation for ministry began when she was growing up with her disturbed, abusive mother and father. Because of their demand for excellence and intellectual achievement, she learned early in life to deliver high performance. But God had His hand on her life. After many empty years of searching for fulfillment, Miriam has emerged from God's shaping process with a personal message of His unconditional love, grace, mercy and acceptance. Today, still graciously aware that God isn't done with me yet! Miriam has an outgoing personality that is sensitive to the needs of others. Transparency is her watchword. Grounded in Scripture, she is a spiritual realist with a well-honed sense of humor and a gift for storytelling that refreshes and delights audiences. Combined with her speaking ministry, Miriam also glorifies God through piano accompaniment or in concert. Her talent has given her the opportunity to work with internationally known artists. The Courage to be Real: Becoming a Woman of Confidence and Integrity, was published by Servant Press. She holds a B.A. in Theology from Trinity College. Miriam is able to relate to a widely varied audience. Because of her background, she speaks with understanding and empathy to compulsive over-achievers and to abused individuals. As a veteran business professional, she knows from the inside the frustrations that confront career women who juggle family and employment outside the home. Miriam has experienced the challenges of clinical depression and speaks with great wisdom about the issues regarding the need for therapy, medical treatment, and open admission of the problem especially among Christians. As a woman of God, she knows Him and conveys His love to people in all circumstances, testifying to His unending faithfulness to those He calls His own. Miriam and Roy have raised three sons, and are now grandparents

of four amazing (!) grandchildren.
