Dissonant guitars sidekick to heartfelt lyrics housed in Waco, Texas pop; a deliberate collection of songs, some of which build and break with devastating intensity, others that subtly repeat a theme until the listener has no choice but to swallow them. 16 MP3 Songs ROCK: Emo, ROCK: Noise Details: Quiet, Lovely began in 2001 in Waco, TX. The band concocts a fine blend of musical ingredients, from the complex and brooding tones of Bedhead and Red House Painters to the smart and soulful tunes of Spoon, Centro-matic, and Death Cab For Cutie. The result is a deliberate collection of songs, some of which build and break with devastating intensity, others that subtly repeat a theme until the listener has no choice but to swallow them
