

## Mp3 Raven Wolfe - Some Things Change

[DOWNLOAD HERE](#)

A great mix of sultry pop ballads and rockin' dance numbers. Memorable melodies with insightful lyrics. The girl can sing. 11 MP3 Songs POP: Today's Top 40, ROCK: Folk Rock Details: Raven Wolfe is a Minneapolis, MN based singer/songwriter who has spent the past 15 years performing throughout the US and abroad. From the haunting melody of "Moment of Truth" to the driving rhythm tracks of "Say", this collection of tunes is a great mix of sultry pop ballads and rockin' dance numbers. The entire album was written, performed and produced by Raven and fellow musician Pancho Torres whose expert keyboard and guitar skills shine through in songs like "Affair of the Mind" and "Two Hearts" Raven's biggest influences include, Melissa Etheridge, Ann Wilson of Heart, Pat Benetar, Shawn Colvin, and the Indigo Girls. Her live performances are filled with a rare energy that truly draws the listener in. When not performing her own music, Raven can currently be seen performing in and around the Twin Cities with 80s inspired cover band, Rock\*It\*Science. [risrox.com](http://risrox.com)
