Barbed wire lyrics wrapped around whiskey and gravel vocals delivered with grit and elegance, from laments to lost love to down dirty, defiant rock roll. 10 MP3 Songs ROCK: Roots Rock, ROCK: Americana Details: After six years in Nashville, Rod Picott has built a reputation as one of the best of Music City's young singer/songwriters. His smart, honest songs speak of the truth you overlooked, the emotion you've kept inside. His smoky delivery and gift for storytelling has drawn comparisons to Tom Waits, Steve Earle, and John Hiatt. Rod is currently touring in support of his new release, Stray Dogs. Check out his tour dates on his website, rodpicott.com. "His disc is the birth of a major, major artist," Robert K. Oermann, Music Row Magazine "...the smartest, most honest writer I know...one of the few writers I look up to," Slaid Cleaves, Rounder/Philo Recording Artist "Tiger Tom Dixon's Blues is sensitive and strong--literate and muscular at the same time. Rod is firing on all eight cylinders here," Gurf Morlix, Guitarist, Songwriter, Producer (Lucinda Williams, Robert Earle Keen)
