FOLK: Traditional Folk, FOLK: Folk Blues Details: Russ has been writing and performing his own music for over twenty five years. Since his early days at Moravian College with John Gorka, Doug Anderson and Rich Shindell, he has continued performing on guitar, hammer dulcimer, dobro, banjo, mandolin, bouzouki, appalachian dulcimer and autoharp. John and Rich found well deserved fame and glory in the folk music world while Russ practiced medicine in eastern Pa. Recently Russ has left his practice of medicine to follow his muse and perform publicly the music that has been simmering on a back burner for quite sometime. Sit back and listen to these acoustic gems, some old and some new, one borrowed and definitely a few bluesy. These tunes are true Americana, performed on the instruments of America's roots. He has received airplay on folk radio ,WDIY-Bethlehem, WPRB-Princeton, WDVR-Seagentsville, NJ as well as County Down Northern Ireland! He was a featured performer at Martin Guitar's Musikfest Showcase 8/2003. A feature on his life and music has been done on PBS affiliate WLVT Allentown, Pennsylvania.
