Positive Pop/Rock, Adult Contemporary, Poz, New Thought, Eclectic styles 12 MP3 Songs POP: Folky Pop, ROCK: Classic Rock Details: Scott has been writing positive pop/rock tunes for almost 30 years. The leader in "Poz" music, Scott heads up the Positive Music Association (PositiveMusicAssociation.com) which he co-founded in 2004. Unique in that he is a "songwriting artist" with a distinct message of personal and social transformation, Scott formed his own publishing company, Googol Press (GoogolPress.com) in 1998 to produce and publish his own music, which is performed by himself and a number of very talented singers and musicians. In the 1980s, he traveled and performed throughout North America and Europe with the international group Up With People. Scott lives with his wife and two daughters in Boulder, Colorado. A Renaissance Man of sorts, Scott is also an author, a life coach, a graphic designer and a decent croquet player.
