Famous Los Angeles Guitarist/Songwriter... Chill with this alternative, groove pop rock and Blues tunes. Co-written w/ some of LA's greatest songwriters. 13 MP3 Songs POP: with Live-band Production, ROCK: Modern Rock Details: I have performed in and around the Los Angeles area for 12 years with my own band, Cranium Lounge. I also did tons of sessions and gigs with several other bands and artists. Some of my greatest gigs include several House Of Blues shows with Guitarist Jeff "Skunk" Baxter, boy did we had killer jams! Also a fun New Years eve gig (1999) with Al Green. The band Cranium Lounge had a wonderful opportunity to work with the awesome David Devore, 3 of the songs on the cd were done with his magic ears. David is a unbelievable engineer /producer who has worked with some of the greats like; Fleetwood Mac, Grateful Dead, Reo Speedwagon and Foreigner just to name a few. That was such a treat to work with someone of that caliber! The band Cranium Lounge was also voted one of the best LA bands for a few years. We had a great run! While doing my original band I had the pleasure to work with some of the best musicians and songwriters in town, most of which are on the cd. I have compiled this "greatest Hits" cd to really showcase my playing and songwriting, but I have to say I could not have put this together without the help of these fantastic players and writers! These writers blew me away... Rob Costantino, Scott Baldyga, Nick Davis so keep your eyes and ears for these cats. I now live in Denver and am "solo" so to speak, I still get to LA quite a bit and just cut a new song with engineer /producer Ronnie Rivera. The new song "Come To Me" is the first one of my new cd. It should be out by the beginning of the year. Thanks for checking it out and hope you enjoy the cd! Peace, Scott Julsen
