

Mp3 Scott Rodell - Days On End

[DOWNLOAD HERE](#)

Embodies sounds of classic rock; experimental pop and traditional American music. 10 MP3 Songs POP: Beatles-pop, ROCK: Americana Details: With years of musical experience, Scott Rodell, song writer and musician, channels his energy on his debut album "Days on End" which embodies sounds of classic rock; experimental pop and traditional American music. The image of Weirton Steel on the cover of Scott Rodell's new CD, Days On End, is a glance over the shoulder to his youth growing up in a blue collar town with a history that reaches all they way back to the beginnning of the Industrial Age in America. Now residing in Sacramento, California, Scott has traveled a long way from home, but still hasn't forgotten his roots. This CD is a tribute to the journeys and transitions we all experience in life. Like a great wine, sometimes it takes a little time for an artist to ferment so that just the right harmony between life experiences and musical talent come together to produce tasty music.
