

## Mp3 Signz - Momma's New Dress

[DOWNLOAD HERE](#)

Avante Garde electronica lounge with a mix of smooth beat and industrial edge. Trip Hop gone international. 6 MP3 Songs ELECTRONIC: Trip Hop, ELECTRONIC: Trance Details: SIGNz is a international groove element composed of two members. We represent the chill/lounge scene with an attempt to infuse domestic and global sounds. A mut of rhythm. Turk Sari, is the Turkish counter culture of transition, beat and mixes a fine groove. He brings a international touch that envelopes the domestic mindset and soundset. Get ready for the "hype a holic" to add a new demension to your ear holes. Together we are SIGNz... Expect alot of groovy lounge, global chill/lounge as well as some of the best substantial club in the upcoming albums. The following is in progress... Inspirations were old school funk, soul , blues, jazz and motown. More recently, goth, post mod, industrial, dance/chill progressively in that order. It started in Arcata Ca. Open Mike every Sunday at our house.
