Passionate songs with beautiful and smooth melody lines and powerful and poetic lyrics that express the mysteries and deep feelings of the heart and soul.....the kind of songs that stay on your mind and keep you humming them all day. 12 MP3 Songs EASY LISTENING: Love Songs, COUNTRY: Modern Country
Details: Stephen has been writing songs since the late 1960's. One of his earlier songs was pitched to Wilson Pickett by a Houston, Texas DJ, which started off his writing career. His latest CD, "Faces In The Window", represents songs he has penned over the 70's, 80's, and 90's. Most of the songs on "Faces" are power ballads with a few more up tempo songs dealing with the mysteries of love, both found and lost. His uncanny use of poetry and powerful melody make his songs personal to the listener. These are songs that hit home and stay on your mind through-out the day. Take a few minutes to listen to some clips and you'll swear these songs were written for you.
