Bridges founded Kingdom Force International Ministries Inc. as a 17 year old high school student in Muncie, Indiana. His ministry to bring people into an encounter with God through music began as a six year old singing in the church choir with his grandmother and aunt. By age 13, Bridges began to teach and direct his church choir. He was licensed by his church to preach the gospel at age 15. By the time he was 17 years old, Minister Bridges became one of the first Bill Gates Millennium Scholars and started an international ministry dedicated to the physical renewal of third world countries, evangelization of unbelievers, and discipleship of Christians to live and build the Kingdom of God. Waters of Worship is his sophomore CD with The Worshippers Heart being his debut album. Waters of Worship is a true testament to the power and presence of God, remarked Bridges. This album seeks to bring its listeners into the place of Gods manifested presence to be cleansed and renewed. Jesus, the living water, is available to us today- just as He was with the woman at the well in the gospel of John 4. Though listeners will certainly be engaged by the songs on the album , Bridges emphasizes that it is the message and heart of the music that he is mandated to spread across the world, bringing the Body of Christ into another dimension of worship for the end times. The message will certainly draw those who are thirsty for the presence of God and desire greater intimacy with Him. The ultimate focus is Jesus and the water is His Spirit and His Truth. The Worshippers Heart, People of Judah, Oh Lord We Praise You, It Is For You, I Am Thine (Draw Me Nearer by Fanny Crosby, When Im In Need by Michael Houston, Bless The Lord by Terrance Johnson, Sr., Rise Oh Lord, Lift Up Your Heads (Psalms 24), Great Is The Lord, Fill Me With

Your Glory, We Extol Your Name, Yes Lord, Draw Me Close To You and the old Hallelujah Hymn, are truly melodic elements written from purity of heart, emanating from a purging of the spirit that can only be experienced by willing vessels who avail themselves to God. I want people to see my passion for His presence and how life changing worship can be... in all that I do, I want people to see and experience the glory of God, said Bridges. Award winning artist, composer, and national icon Michael Houston is the album's producer. Houston's talents have earned him acclaim both in the studio and on stage. He is the recipient of the 1995 Addy Award and in 1996 won a nomination for the prestigious Dove award. Houston has done several commercial productions including the theme song for the Indiana Pacers Basketball Team, Circle Centre Mall (in downtown Indianapolis), and Meijer Stores. Now, prepare to worship without any reservation, come into the presence of the Lord and experience the fresh flow of His living waters. Experience the glory of God!
