[DOWNLOAD HERE](#)

Expressive piano compositions that tell a story unique to each listener. Sit back and relax to the captivating nuances and changes. Acoustic grand piano - contemporary, classical and at times a bit jazzy. 10 MP3 Songs CLASSICAL: Contemporary, CLASSICAL: New Age Details: Tony Castelli - Biography Tony started composing music on accordion at age seven and advanced to piano composition in the following years. Always a hit at local parties he most recently decided to commit his tunes to permanent record and make it his full time pursuit. Beginning two years ago, he developed some of his compositions with the goal of recording and releasing a CD. Blue Eyed Angel is a culmination of the past two year effort. Tony enjoys sitting at the piano and letting his fingers dance along the keys ad hoc in warm expression. His music has been described as coming from his heart through his fingers. Many liken the musical style to Yanni with some flavor along the styles of Billy Joel and Elton John. Expressive piano compositions that tell a story unique to each listener. Sit back and relax to the captivating nuances and changes. Acoustic grand piano - contemporary, classical and at times a bit jazzy.
