Hard rockin' Country filled with good times and fun-lovin' music featuring plenty of modern country rock, Southern rock and a couple of sweet dobro-laced ballads. 12 MP3 Songs COUNTRY: Country Rock, COUNTRY: Modern Country Details: Tornado Road is a hard working band of top-notch musicians based in Nashville, Tennessee who have teamed up with singers Billy Grantham and Case Crawford and songwriters Simms/Harrison to create an album full of "good rockin' country." These boys can pick it with the best of them and this album features tons of up-tempo, fun-filled music, covering styles from pure country to honky-tonk to Southern rock and Modern Country, with plenty of good beats, soaring steel guitar and sweet harmonies, and a love song or two, just 'cause you're supposed to. The album also features two bonus tracks by the bands back-up singers, The Twister Sisters.
