[DOWNLOAD HERE](#)

8 different artists take you through heaven and hell with psychedelic blues, intelligent rock, rare beat trip hop, music to meditate or hit the club with, from acoustic to electronic, it's all in this disc. 16 MP3 Songs

URBAN/R&B: Contemporary urban, ELECTRONIC: Soundscapes Details: A Chicago based network of underground artists, Diva's, D.J.'s, musicians, poets, singers, and urban troubadours, celebrates the release of their first compilation: Urban Collision Presents, featuring former members of the legendary acclaimed band, Marvin Tate's D-settlement. "Urban Collision Presents" highlights various ingredients that made up the sound of D-Settlement. So what you have are strains of ghoulish blues and gospel (Marvin Tate) raw soul (Tina Howell) intelligently industrial rock (Adam Conway) trippy world beat (Debbi Buzil) triphop-worldly funk (Olin Langley) and hypnotic tribal rhythms from (George David). A hodgepodge of emotions, with two special guests, Liz Murray, and Sammie Lee.
