On Malka the young warrior name Zenith has been chosen for the honor of being the trainer to Niro's son Zenos. He gets introduced to the warrior women of Loma when Queen Rhaya shows up to meet with Niro. Petra the Queen's guard is instantly attracted to Zenith, even though he works her last nerve by his arrogance. On Loma smaller, weaker males are desired, but Zenith is large and strong just like all the male warriors on Malka. Niro soon finds out his warriors are having trouble adjusting to the strong female warriors of Loma. Ramiro, the son of Tomar, has been best friends with Zenith forever. He was named the grand General of the Rundal warriors. His duty is to train the Rundal warriors to fight along side of the barbarians. His older brother Alamaxa is being groomed to be the next ruler of the Rundal people and with Tomar away Alamaxa becomes the acting ruler. His first act as ruler is to command his brother Ramiro to choose a mate. Ramiro doesn't want a Rundal female but is most curious about the human females. However, it is forbidden for a Rundal male to be with a human female. Laigne, the weaker male servant to Niro's mate Robin, can't believe it when a large beautiful Loma female wants him. On Malka being a weaker male was the most undesirable thing there was. Weaker males in the Dascon clan

became servants and playthings to the large male warriors which was considered lucky for in the Larmat clan they simply killed the weaker males.
