

Derek Walcott - Edward Baugh

[DOWNLOAD HERE](#)

Nobel Laureate Derek Walcott is one of the Caribbean's most famous writers. His unique voice in poetry, drama and criticism is shaped by his position at the crossroads between Caribbean, British and American culture and by his interest in hybrid identities and diaspora. Edward Baugh's Derek Walcott analyses and evaluates Walcott's entire career over the last fifty years. Baugh guides the reader through the continuities and differences of theme and style in Walcott's poems and plays. Walcott is an avowedly Caribbean writer, acutely conscious of his culture and colonial heritage, but he has also made a lasting contribution to the way we read and value the western literary tradition. This comprehensive 2006 survey considers each of Walcott's published books, offering a guide for students, scholars and readers of Walcott. Students of Caribbean and postcolonial studies will find this a perfect introduction to this important writer. Author: Baugh, Edward Publisher: Cambridge University Press Illustration: N Language: ENG Title: Derek Walcott Pages: 00270 (Encrypted PDF) On Sale: 2006-03-09 SKU-13/ISBN: 9780521553582 Category: Literary Criticism : African
