When Cheri moves to Lobo Basin, all she wants is a quiet place to teach, where she doesn't have to worry about the perils of the big city. She's never had a lot of luck in love, so it's a complete surprise when not one, but two beautiful men show their interest. Cowboy Josh and handyman Paulo come from opposite sides of the werewolf pack that rules the town, and they had a falling out years ago over the firestorm of lust that burns between them. When they both decide they want the new girl in town, the competition between them heats up-and so, finally, does their sexual connection. Cheri doesn't know what to do with the bickering men or with the bitey little kids in her class at school. Is she a slut for wanting both Josh and Paulo? The men are going to have to work together to win their mate and help her understand her nature-both werewolf and sexual. Author: Talbot, Julia Publisher: Ellora's Cave Publishing Inc.
