Japan. Land of honor and beauty, crowded streets with neon signs, and exotic markets where ancient traditions still hold fast in modern-day society. As Japanese business people rush about their busy lives, there exists a place in Osaka, Japan where a modern take on the ancient tradition of the geisha thrives. Kuri and Daichi work at Kingyo Club, a popular host club in the DÃ...Â•tonbori district of Osaka. After sleeping their days away, the boys' nights are owned by the host club lifestyle and anyone willing to pay the steep price for a few hours of hard drinking and flirtatious companionship. Kuri and Daichi are lovers and best friends, and along with their roommates Sora and Takumi, they look out for one another in an occupation fraught with both physical and emotional danger. In addition to the endless bottles of fizzy champagne, expensive gifts, and confessions of false love courtesy of regular clients, every now and then comes a customer with even deeper pockets and much darker demands. Gabriel Hartley is one of these men. After a chance meeting, Gabriel targets the stunning Kuri to feed his obsession with seducing and dominating young Japanese men. The relationship between Kuri and Gabriel dramatically changes when a traumatic event plunges them from the Land of the Rising Sun into the land of powerful sheikhs and

servant boys in the dark underworld of exotic Dubai. As Kuri struggles with the heartache of having what's most precious to him ripped away, he helps Gabriel learn important lessons about love, honor, and the power of self-forgiveness. Special Content Alert: M/M, Dubious Consent, Age Play Excerpt: Gabriel sucked breath in through his teeth as his fingernails dug into Kuri's skin. "I lost my virginity in an alley behind a gay dance club. I wasn't old enough to drink yet and I couldn't get in, so I hung out around back." The sight and smells of the alley seemed to rise up around them as memories were painted tangible. Kuri imagined a young, scared Gabriel watching for the right man to approach. "How old was he?" "Thirty, forty, fifty; I don't know. I was eighteen-anything over twenty-five was old." Gabriel bucked his hips off the mattress, a slick sheen of sweat covering him as Kuri sank deeper onto his cock without complaint. "Fuck, you feel so good." "Yeah?" Kuri licked his lips. He ran his hands down the length of his torso, careful to twist and turn to display his lithe body in a practiced, perfectly seductive way. His gaze never left Gabriel's eyes. "We aren't so different. My first was an older man, too. Our neighbor. He gave me toys growing up. Money when I got older. His dick as a coming-of-age present, with me on my knees bent forward over his family dining table." Gabriel's eyes reddened and watered. He slid his arms around Kuri's waist and pulled him closer. "I don't want to be one those men. I just want to be able to love someone and have them love me back." "You flew halfway around the world." Kuri gasped as Gabriel's dick pulled partially out of his ass. "You came to a place where no one would know you, and you found someone who knows you better than yourself." He sat back, sucking in air as Gabriel sank in again, nice and slow. "There are no such things as coincidence or dumb luck. You found me for a reason." Gabriel carefully rolled Kuri onto his back without breaking intimate contact. "I don't want you to be Daniel for me." Gabriel rocked his hips in a slow, gentle fuck. "But can we pretend, just this once, that I haven't purchased your services?" Gabriel placed a line of small kisses along Kuri's neck. "Let me make love to you like it means something."
