NJ founded Electro-Rock cumulate outrageous in affectional soundscapes, lyric resolve and broad founded listener appeal. 10 MP3 Songs ELECTRONIC: Industrial, METAL: Industrial Metal The Consequence Songs Details: after nearly 2 years of complete silence, NJ founded 4 piece electro-rock cumulate Anger of the Lamb return with a vengeance, armed with a brand new LP entitled "The Consequence" that further demonstrates the foursome's ability to compose music full of affectional soundscapes, lyric resolve and broad founded listener appeal. Kin to acts such as NIN, Korn, and Marilyn Manson in drive and overall listener accessibilitiy, AOTL has successfully managed to create a unique brand of music solidly rooted in the abstract of electronics, yet vey much in line with the best of mainstream alternative metal. Independently written, recorded, and produced, "The Consequence" passionately defines the human struggle and sonically portrays the resilliancy and will of the human spirit in roller coaster like fashion. The 6 panel full color digipak CD layout looks as good as it sounds, and is far more visually appealing and fan friendly than most of the cds distributed by major labels all over the world. An album written to be an album,not a single and a bunch of filler, The Consequence is one you'll want to keep listening to.
