[DOWNLOAD HERE](#)

Good oldies consisting of cover and original R&B, Funk, Blues Rock n Roll jams. 10 MP3 Songs in this album (40:05) ! Related styles: URBAN/R&B: Funk, BLUES: Funky Blues People who are interested in Millie Jackson Graham Central Station should consider this download. Details: A Talented Vocalist and Bass Player from San Antonio,Tx likes to throw it down, as her motto is to Funk It,Punk It and Blues It, As you can hear in her songs she likes to break it down ,have a good time and talk s... She says music is an expression of feelings and emotions, and she's gonna express that... She says everybody should feel the funk, the blues or whatever it may be, because in this life there's no time for sadness, So don't expect too many sad songs from her,Quote"leave the sadness to yesterday and be grateful for today"..... April's New CD called Bringing It Back is Funky, Bluezy, and Rock n Rolling , bringing back some good sounds from the past. April plays her bass in most of her songs on this Cd, Her bass is her hobby and passion, As you can hear on this cd she is definitely bringing it back. Each one of her songs has a different vibe from the past,On this CD April gives her credits and her appreciation to some very talented artists featured on her album such as one of her producers Tad Donley of the rock band the Warriors as he adds his rock / pop sounds to her singles In the Midnight Hour and Summertime. Larry Williams, who has been a band member of several R B and funk bands such as the late Bobby Byrd, Bootsy, Parlments as he adds the funky soul- lead guitar to Funk Dhat,My M.F.S, My Green Onion and I can't stand the rain. Darrell Lavigne, A very talented and well respected Jazz keyboard player,producer,and composer for many great talented Jazz musicians such as Kyle Turner and Michael Ward as he does his thing on My Green Onion. Glenn W. Lee, A Music Producer/composer puts his blues skills to the singles of Lets Jam The Blues,Girl Get Gone,I need a good man Down Home blues 07 in which had been released in 2007 as a single making the top ten on several radio stations and playing around the country. Robert A.

Williams, Band member and keyboard player for San Antonio's own 4th Quarter, Jamming it on I can't stand the rain. Skip 17 Freeze Wayne, Studio/Producer/and Talented musician from San Antonio,Tx adds his funky Drums beats,and mixing to make it do..... And the Motto is Funk It, Punk It and Blues and we ended that with my M.F.S because that what it is.....
