Divine wisdom on true science and the false myth of materialism. 7 MP3 Songs SPOKEN WORD: Instructional, NEW AGE: New Age Details: "On the one hand, it is obvious that human beings are, in some sense, material. Therefore, there is an obvious legitimacy to the investigation (or rational examination) of the material nature of the human being (as a pattern of form). On the other hand, every conditionally manifested form is Always Already in the Condition of Inherent Unity with Fundamental Lightand, therefore, every conditionally manifested form is, simply, a modification of Fundamental Light. This Greater Truth is the Basis for the true religious and Spiritual approach to the investigation of conditional existence." Avatar Adi Da Samraj This selection of Talks from throughout the 30 years of Avatar Adi Das formal Teaching-Work brings together samples from His vast Divine Instruction relative to the psycho-physical nature of the world, the limits of scientific materialism, and the Inherent Unity of Existence.
